

❖ Payment Plans:

Our payment plans are provided through our secure payment system provider, Touchnet. These payment plans are the only ones recognized by the University.

- When paying on the payment plan, all installments must be made *online* with an electronic check, debit or credit card.
- The date of enrollment in the payment plan decides the number of installments the plan will have for that semester (details below).
- There is a \$40 enrollment fee for each semester's payment plan.
- A student must enroll in a new payment plan each semester. There is no rolling enrollment.

To enroll in the plan, on the Dashboard of the Nest Portal, click on the **Make a Payment** link under the Student Billing drop-down menu:
